

## Superintendent of Schools Announcement

**Calvin Davies** announced as the new Superintendent of Westmount Charter School

The Westmount Charter School Board of Directors is pleased to announce Calvin Davies as the new Superintendent of Schools effective August 21, 2024.

Calvin Davies served the Calgary Board of Education (CBE) for over 30 years. His last position was Area/Education Director. In this role, he provided leadership, direction and support to school principals and school operations within a defined family of schools. As the instructional and management leader he had up to 42 schools supporting 22,000 students attending kindergarten through grade 12.

Calvin has a background in gifted education through his experiences as a school principal and later as an Area/Education Director of two Gifted and Talented Education (GATE) schools at the CBE.

Calvin has provided leadership in a variety of settings and has put students and their learning first. He has been a math/science teacher, assistant principal, principal at the elementary, junior and senior high levels, executive assistant to both the Superintendent of School Support Services and the Chief Superintendent of Schools, and director of Community Engagement & Operational Planning.

Calvin believes in servant leadership that is value and character driven, and outcome and process oriented. He recognizes that to be successful in a complex and ever changing world he must also practice both adaptive and technical leadership.

Calvin is committed to the causes of equity, excellence, access and choice for all students. He believes strong, inclusive public charter schools are essential to choice in education.

Please join the Charter Board in welcoming Calvin to the Westmount community!
