Welcome Westmount Volunteers

Your contribution to our school is greatly valued and appreciated. We hope that you find your volunteer experience at Westmount Charter School both enjoyable and rewarding. Thank you for your support.

Who can be a School Volunteer and how are Volunteers screened?

At Westmount Charter School (WCS), a volunteer is defined as a person who assists our school and/ or students in either curricular or extra-curricular activities. All volunteer positions must have a specified purpose and must be sponsored by the teacher, school principal, or School Council executive.

As a WCS volunteer, you are placed in a position of trust with students, staff and property of WCS. Therefore, **dependent on the type of volunteer activity in which you are participating**, reasonable background checks must be completed prior to confirming your eligibility and inviting you to volunteer. The basic background check you are required to complete is called a **PIC** (Police Information Check), including a vulnerable sector check (VSC). **A PIC is valid for 3 years; there are no exceptions.** [Click here to visit the Calgary Police Service PIC website.](#)

Note that guest speakers or presenters, visitors to the school, and parents assisting only their own child in the school are not considered to be volunteers, and therefore do not require a security clearance.

Volunteer Categories Determine Whether a PIC is Required

At WCS we have **two categories** of volunteer activities:

1. Category A and
2. Category B.

Volunteers performing activities which fall under **Category A** must complete a Police Information Check (PIC) including a **Vulnerable Sector Check (VSC)**. **Category B** Volunteers are not required to complete a PIC.

See [Appendix A – Volunteer Categories](#) in this document. If you are unsure whether your volunteer activity falls under **Category A or B**, please contact the Elementary or Mid-High Office at ecadmin@westmountcharter.com (K-Gr 4) or mhadmin@westmountcharter.com (Gr 5-12).

Overview of Police Information Check (PIC) Process

Category “A” volunteers are responsible for providing WCS with a current **Police Information Check (PIC) with a Vulnerable Sector Check (VSC)** or *certified criminal record check* from the RCMP before they can volunteer at Westmount.

1. Contact the Elementary or Mid-High office by email or phone to let them know you wish to volunteer.
2. If you wish to apply for a PIC with VSC **online**, we will send you an email and an invitation link to initiate your application.
3. Your PIC/VSC will expire in **3 years** and you will be responsible for reapplying for a new PIC/VSC before it expires. (You may reapply within 3 months of expiration.) If this is not done, you will have to wait for the new PIC/VSC to arrive before you can resume volunteering.
4. There is no cost to apply for an **online** or Police Information Check if you follow the link and directions in this document or on the WCS website.

Further instructions may be found on the [Westmount Volunteer page](#) or on [page 4](#) of this document.

All information regarding security clearances is strictly confidential and may not be used or disclosed in accordance with this regulation and the Freedom of Information and Protection of Privacy Act.

About the Volunteer Registration Form

The completion of a Westmount Charter School (WCS) Volunteer Registration Form is required when you begin volunteering **and every three years thereafter**. By completing the form, you agree to abide by the conditions that protect the safety, confidentiality and working environment of the school. You also make a signed declaration with regard to criminal charges.

VOLUNTEER DRIVERS

Every year, WCS Insurance and Risk Management require the following in order to assess the qualifications of drivers:

- valid Police Information Check (PIC) with Vulnerable Sector Check (VSC) (no older than 3 years),
- current and valid driver's license,
- current registration,
- driver Abstract* obtained from an Alberta Registry Office (the individual must have a safe driving record with less than six demerit points), and
- proof of a minimum \$2,000,000 public liability and property damage insurance coverage.

Volunteer Drivers must complete a [Volunteer Driver Application and Declaration form](#) and submit it to the school, along with photocopies of their Driver's License, Insurance, Registration and Driver Abstract.

All volunteer drivers are to advise administrators in writing immediately if there is a change to the above.

The vehicle must be in safe driving condition with working seat belts and proper tires for the road conditions.

These are required by WCS Insurance and Risk Management in order to assess the qualifications of drivers.

**A Driver Abstract may be obtained for a small fee from any Alberta Registries office.*

EXPECTATIONS OF VOLUNTEERS AND CODE OF ETHICS

All volunteers are responsible to act in the best interests of students, parents/guardians, visitors, fellow volunteers and employees of the WCS. This includes treating all students, parents/guardians, visitors, fellow volunteers and employees of WCS with dignity and respect.

Volunteers will behave in a manner that respects the dignity and rights of all persons without prejudice as to race, age, ancestry, place of origin, colour, religious beliefs, gender, gender identity, gender expression, physical or mental disability, marital status, family status, socioeconomic status, and sexual orientation.

Administrators and the Charter Board have the right to request a volunteer cease their activities and dismiss the volunteer where appropriate.

If a volunteer has a concern, it should first be brought to the attention of an administrator and if unresolved, subsequently to the Superintendent and ultimately to the Charter Board. If a conflict of interest exists between two members at the administrator and direct supervisory level, concerns arising under this policy are addressed at the next level beyond the supervisor.

WCS volunteers are required to:

- receive direction from and be accountable to the teacher in charge,
- maintain confidentiality in all matters relating to their role,
- be a positive role model for students,
- report poor student behaviour to the teacher in charge,
- have appropriate qualifications for the activity,
- dress appropriately for their duties and present a positive image to the school community,
- refrain from smoking/vaping while on school property or on a field trip,
- refrain from bringing children with them who are not students of that class, and
- comply with all applicable WCS policies, regulations and school rules as outlined in WCS [Administrative Procedure AP555](#).

The following code of ethics shall apply to all volunteers at Westmount Charter School:

1. The volunteer must respect confidentiality. It is essential that volunteers never publicly discuss students, parent/guardian, or school staff. If there is a concern, the volunteer should contact the teacher first and then, if necessary, the Principal of the school. For example, should a volunteer have access to information about a given child. (i.e., the child has serious difficulty reading compared to his or her classmates) this information should not be shared, even with the parent/guardian of the child. It is the duty of the teacher to report academic progress to parent/guardian.
2. The volunteer should respect the professional role, responsibilities and judgment of the teachers. All volunteers are to receive direction from and be accountable to the teacher in charge and/or the Principal of the school.
3. Any discipline problems should be referred to the teacher in charge.

4. Volunteers should ask the teacher and become familiar with the rules and routines of the school such as:
 - the fire drill/lock down procedures,
 - learning commons (i.e. library) and procedures, and
 - classroom routines and expectations.
5. Volunteers should dress appropriately for their duties and present a positive image to the community at large.
6. parent/guardian are expected not to use their volunteer time as an opportunity to discuss their own child's progress.
7. Once you have committed to volunteer time please make every effort to honour that commitment. Please inform the teacher if you are not able to come to the school as planned.
The last minute cancellation of a volunteer commitment may result in the activity/ field trip being canceled.

Important Processes to Note

Emergency / Lockdown Procedure: Each location has a plan to deal with emergency situations. In the event of an emergency, the teacher in charge and/ or school administration will provide further direction. You are expected to participate in fire drills, lockdown drills or other safety related training conducted during the school day.

Field Trips: Teachers will ensure that at least one volunteer is familiar with the particulars of the field trip in the event that the teacher becomes incapacitated.

Parking: Please park in designated visitor parking. If there are any questions, please contact the office staff at the respective campus.

School Council / School Events: When handling money, volunteers are expected to follow procedures outlined by the supervisor in charge.

Sign In / Out: When arriving please report to the main office and sign the volunteer sign-in/out book. A volunteer identification card will be provided to you and we ask that you wear this at all times; this helps us to ensure that all adults in the building are here on official school business.

When you are finished volunteering, please sign out and return the volunteer identification card.

Valuables: For the safety and security of personal belongings, please avoid bringing valuables into the school unless absolutely necessary. WCS is not responsible for lost or stolen personal property.

Washroom: Please use only the washrooms designated for adults or staff.
