## Traffic Safety

**Choose safety over convenience!**

Click icon for Parking Safely Around Schools article.

### Speed

- Slow down and be extra cautious to protect pedestrians crossing the streets.

### Parking

- Park your vehicle in designated areas only. Illegally parked cars can obstruct visibility, create hazards for pedestrians and make it difficult for the busses.
- Do not pick-up or drop-off students in either staff parking lot or bus lane.

Practicing good traffic safety habits contributes to a safer school environment for everyone.
