Introduction

These policies, adopted by the board of Westmount Charter School Society:

- are written expressions and explanations of our principles;
- guide the governance of the school;
- reflect our values as a board;
- address important objectives for the school; and
- create a framework within which we charge the superintendent to administer the operations of the school.

In contrast, administrative procedures are the procedures and practices established by or adopted by the superintendent that direct the administration of the school in the implementation or achievement of the principles and results expressed in or intended by board policy statements. Administrative procedures focus on how the administration of the school operates and manages activities within the school.

In these policies:

- Westmount Charter School Society is referred to as “Westmount Charter School”, “Westmount”, “the society” or “the school”;
- The charter is referred to as “the charter”;
- the board of the society is referred to as “the charter board” or “the board”;
- the staff of the society is referred to as “the staff”; and
- the guardians or parents of a student attending Westmount are referred to as “the parents”.

Policy 1.1

Philosophy and Beliefs

Westmount's guiding principles and definition of giftedness form a philosophy which serves to support the vision and mission of Westmount Charter School.

GUIDING PRINCIPLES

At Westmount Charter School, we believe:

- 1) students who are gifted are capable of exceptional performance;
- 2) students who are gifted require comprehensive, specialized educational programming if they are to understand and maximize their varied abilities;
- 3) teachers of gifted students require specialized training and experience in the education of the gifted if they are to effectively guide the development of those students' learning;
- 4) parents and guardians are vital partners in their children's education; and
- 5) members of the community at large have an important role to play in the education of students who are gifted.

DEFINITION OF GIFTEDNESS

Students are gifted when they demonstrate outstanding levels of aptitude (exceptional ability to reason and learn) or competence (documented performance or achievement) when compared to others of their age, experience and environment. Asynchronous development, a critical aspect of giftedness, combines advanced cognitive abilities and heightened intensity to create inner experiences and awareness that are qualitatively atypical and require modifications in teaching and counselling.

Inherent in the Westmount definition is the Alberta Education definition of gifted and talented (Alberta 2000), the Columbus Group definition of giftedness (Columbus Group 1991) and the National Association of Gifted Children (NAGC).

Policy 1.2

Goals, Outcomes and Strategies

In addition to achieving the goals required of all public schools in Alberta, charter schools are responsible for establishing specific charter goals that set the school apart from other schools and which result in improved student learning. CHARTER SCHOOL GOAL

To improve gifted pedagogy from the inside out.

OUTCOMES

- 1) Students will understand giftedness from the inside out.
- 2) Students will demonstrate increased resilience.
- 3) Students will recognize the importance of goals.
- 4) Students will comprehend the connection between personal wellness and strong communities.

STRATEGIES

Westmount Charter School implements the following strategies to support student attainment of the desired outcomes above:

- 1) provide a safe, supportive learning environment that acknowledges similarities and honours differences;
- 2) teach, model and support the development of lifelong learner goals and aspirations;
- 3) provide a variety of learning experiences that supplement or extend the scope and requirements of the Alberta Programs of Study;
- 4) support the development of critical and creative thinking, problem-finding, problem-solving and decision-making;

Policy 3

Role of the Charter Board Member

The role of a charter board member is to make decisions that are in the best interests of the school and to contribute to the charter board as it governs the school and ensures it achieves its vision and mission. Charter board members are expected to support the school's mandate of providing an authentic educational experience for students in the Calgary area who are gifted.

Charter board members serve in a dual capacity as directors of the school and the society and fulfil their responsibilities as directors pursuant to legislation and society bylaws. The decisions of the charter board in a properly-constituted meeting are those of the society. A charter board member who is given authority to act on behalf of the charter board may carry out duties individually, but only as an agent of the charter board. A charter board member acting on the member's own behalf without the authority of the charter board has only the authority and status of any other member of the society.

Charter board members are expected to:

1. become familiar with Westmount's charter, policies and procedures, bylaws and roles of committees in order to contribute successfully to charter board business;
2. contribute to the decisions of the charter board and ensure due diligence;
3. support the decisions of the charter board and refrain from contradicting such decisions;
4. strive to develop a positive and respectful learning and working culture;
5. refer queries, issues or problems not covered by charter board policy to the charter board for discussion and decision;
6. refer administrative matters to the superintendent. A charter board member, upon receiving a complaint from a society member about school operations, shall refer the individual to the appropriate administrator and shall inform the superintendent of this action;
7. participate in seminars, conferences or workshops to enhance the quality of leadership and service offered to the school;
8. share materials and ideas with other charter board members after attending a professional development activity; and
9. support the continuing existence of charter schools in Alberta.

3. Charter Board Member Relationship with Other Charter Board Members

 - 5.1.4 whether a conflict exists shall be determined, if necessary, by the remaining charter board members voting on the issue.
- 5.2 The secretary-treasurer to the board or the secretary to the board shall record any declaration of a conflict of interest in the minutes of the meeting at which such declaration is made.
- 5.3 Upon a charter board member declaring a conflict of interest, the chairperson shall excuse that charter board member from participation in the discussion and the vote on the issue. That charter board member shall leave the room in which the meeting is being held until discussion on the matter is concluded. Charter Board Operations

In order to discharge its responsibilities to the Minister of Education and to the members of the society, the members of the charter board shall hold meetings as often as necessary. A quorum, which is a simple majority of the number of members, must be present for every duly constituted meeting. The charter board has adopted policies so that the business of the charter board can be conducted in an orderly and efficient manner.

Robert's Rules of Order shall generally govern all proceedings of the charter board unless otherwise provided in these policies or varied from time to time by resolution of the charter board.

1. Organizational Meeting

An organizational meeting of the members of the charter board shall be held at the first regular meeting in June.

The superintendent shall generally chair the meeting for the purpose of electing the chairperson. Upon election, the chairperson shall preside over the remainder of the organizational meeting. The election of the chairperson shall be for a period of one year.

At the organizational meeting, the charter board shall, in addition:

- 1.1 elect a vice-chairperson;

- 1.3 ensure a primary and emergency contact is provided for each charter board member for the purpose of receiving notice;
- 1.4 create such standing committees of the charter board as are deemed appropriate, and appoint members who shall select the committee chairperson at the first meeting of such committee following the organizational meeting;
- 1.5 appoint charter board representatives to the various boards or committees of organizations or agencies where the charter board has regular representation, as appropriate; and
- 1.6 review charter board member conflict of interest stipulations and determine any disclosure of information requirements.

2. Regular Charter Board Meetings

- 2.1 Regular charter board meetings are normally held once monthly on dates and times determined at the organizational meeting. There are no regular meetings scheduled in July or August. Meetings shall ordinarily be held in Westmount's boardroom at the elementary school campus in Calgary.
- 2.2 Notwithstanding, the charter board may, by resolution, alter the meeting schedule in such a manner as it deems appropriate.
- 2.3 Regular charter board meetings shall not normally be held without the superintendent and secretary-treasurer to the board or secretary to the board or their designates in attendance.
- 2.4 Regular charter board meetings shall not normally be held without the superintendent and secretary-treasurer to the board or the secretary to the board or their designates in attendance, unless the meeting pertains to matters concerning one or both of them that require one or both of them to be absent during discussions.

3. Special Meetings

Occasionally, unanticipated or emergent issues require immediate charter board attention action.

Special meetings of the charter board may be held from time to time as provided for under the *Education Act*. Special meetings of the charter board shall be called only when the chairperson, the majority of charter board members or the Minister is of the opinion that an issue must be dealt with before the next regular meeting.

Notice of such special meeting, including date, time, place and nature of the business to be transacted, shall be issued to all charter board members by registered mail (at least 7 days prior to the date of the meeting) or in person or by telephone (at least 2 days prior to the date of the meeting). A special meeting may be held without notice if every charter board member agrees to waive notice.

Unless all charter board members are present at the special meeting, no business other than that in the notice of the special meeting may be transacted at the meeting.

The method for calling a special meeting is set out in the bylaws.

Special meetings shall not normally be held without the superintendent and secretary-treasurer to the board or the secretary to the board or their designates, in attendance unless the meeting pertains to matters concerning one or both of them that require one or both of them to be absent during discussions.

Notice of such extraordinary meeting, including the date, time, place and nature of the business to be transacted, shall be given at least 4 hours in advance and shall be given in person or by telephone. If a charter board member cannot be contacted by such means, one further notice shall be given to that member's emergency contact, and such notice shall be considered adequate notice. An extraordinary meeting may be held without notice if every charter board member agrees to waive notice.

Unless all charter board members are present at the extraordinary meeting, no business other than that in the notice of the extraordinary meeting shall be transacted at the meeting.

5. In Camera Sessions

The preservation and enhancement of the public's trust in the educational system is an important priority of the charter board. The charter board believes that public trust is preserved by conducting open board meetings. Notwithstanding this belief, certain sensitive issues occasionally require the charter board to hold closed meetings.

The charter board may hold a meeting or part of a meeting in camera to discuss sensitive issues where the majority of the members are of the opinion that it is in the public interest to do so.

In camera sessions shall be held to discuss sensitive matters such as:

The charter board shall:

- 5.8 discuss only the matter which gave rise to the closed session during the in camera session; and

- 6.3 by request from a committee of the charter board; and
- 6.4 by a quorum of the charter board, prior to the approval of the agenda, with a request that the chairperson adds an item.

Emergent issues that require charter board action may arise after the agenda has been prepared. Such items shall be brought to the attention of the chairperson, who may bring items before the Board. The superintendent, with the permission of the chairperson, may also bring forth emergent items.

The chairperson, at the beginning of the meeting, shall ask for changes to the agenda prior to agenda approval. Changes to the agenda may be made by a majority of those present.

The chairperson may change the order of items on the agenda to meet deadlines or accommodate delegations.

During the course of a charter board meeting, the majority of members present may request that the chairperson place items before the board for discussion.

7. Minutes

The minutes shall record:

- 7.8 establish and maintain a file of all charter board minutes.

The secretary-treasurer to the board or the secretary to the board shall, upon adoption by the charter board, initial each page of the minutes. It is the responsibility of all charter board members present at the meeting to check the minutes for errors or omissions.

When required by the charter board, its committees shall prepare meeting minutes.

8. Motions

- 8.1 The majority of any quorum may pass any motion or resolution within the authority of the charter board as stated in the *Education Act*, the charter or the bylaws.
- 8.2 Each charter board member present shall have one vote. Voting shall be by a show of hands. The chairperson shall vote only in the event of a tie. In the event that the vice-chairperson (or another charter board member) is acting in place of the chairperson, the vice-chairperson (or that other charter board member) shall abstain from voting except in the event of a tie.

- 8.4 Charter board members may abstain from voting on any motion and must abstain from voting on any matter in which they have a conflict of interest. Conflict of interest shall be determined in accordance with Policy 4. Whether a conflict exists shall be determined if necessary by the remaining board members voting on the issue.

9. Presentations at Charter Board Meetings

The charter board believes that it has the responsibility to encourage members of the school community to make presentations related to educational matters at regular meetings of the charter board. The charter board shall receive presentations on any subject pertinent to charter board business provided the item has been placed on the agenda.

The superintendent shall inform those planning to make a presentation at a charter board meeting of the time and place of such meeting and of the charter board's policies and procedures regarding presentations.

If the charter board is required to make a decision on a relevant issue subsequent to a presentation, the superintendent shall inform those making a presentation when the issue shall be debated and a decision made.

The following procedures shall normally be followed:

- 9.1 Groups or individuals wishing to make presentations to the charter board shall normally do so at regular meetings of the charter board. Presenters shall appoint one spokesperson to make the presentation and respond to questions. Other speakers may be recognized by the chairperson.
- 9.2 The charter board may choose to meet, if appropriate, with presenters in camera.
- 9.3 Normally, a presentation shall not be received at a regular meeting of the charter board unless the matter has been placed on the agenda.

- 9.4 A written request for an item to be placed on the agenda must be received by the chairperson, superintendent or secretary-treasurer to the board or the secretary to the board 7 days prior to the meeting date. The request should be accompanied by the terms of reference for the presentation to be made. The chairperson, superintendent or secretary-treasurer to the board or the secretary to the board shall determine if the matter is pertinent to charter board business. In an emergent situation where the timeline cannot be met, the chairperson shall determine whether or not the presentation shall be heard.

- 9.6 The charter board shall develop a response to the matter presented, on a case-by-case basis and where appropriate.

10. Charter Board Member Honoraria and Expenses

Policy 10

Policy Making

The charter board is responsible for the development of policies in keeping with the requirements of government legislation and the values of the charter. To meet this responsibility, the charter board shall establish written policies that express its philosophical beliefs in support of public education and provide effective direction and guidelines for the action of the charter board, the superintendent, staff, students, parents and others. Charter board policies constitute the will of the charter board in determining how Westmount shall be operated.

The charter board is guided in its approach to policy-making by ensuring adherence to the requirements necessary to provide public education in accordance with the charter and in compliance with the *Education Act* and other applicable provincial legislation.

The charter board policies provide overall direction and broad guidelines for the school, and delegate policy implementation and school management and administration responsibilities to the superintendent.

The charter board has the right to establish a policy which addresses monetary or payment matters.

The board policy-making process includes the following phases:

1. Planning
 - 1.1 The charter board, in consultation with the superintendent, determines the need for a policy, through its own monitoring activities or in response to a suggestion from another stakeholder, and identifies the critical attributes of each policy to be developed. Consultation may include the secretary-treasurer to the board or the secretary to the board and treasurer to the board, as appropriate.
 - 1.2 Any charter board member, the superintendent, staff, student or parent of Westmount may make suggestions regarding the possible development of a policy on any matter, by presenting a proposal for a policy in writing to the charter board through the superintendent. The proposal shall contain a brief statement of purpose or rationale.
 - 1.3 Policy may also be initiated by the results of a public consultation or survey, needs assessment, or policy evaluation.
2. Development
 - 2.1 Draft policies may be developed by the charter board, a committee or the superintendent.
 - 2.2 Draft policies are presented to the charter board as 'information items' and with the approval of the charter board shall be circulated for stakeholder input for 15 to 30 days.
3. Minor Policy Amendments
 - 3.1 Where the policy has been drafted or redrafted as the result of legal agreements, where the modifications are minor and do not affect the intent of the policy, or where the matter is urgent, draft policies shall not be circulated or re-circulated for stakeholder comments.
4. Approval
 - 4.1 All policies shall be presented to the charter board at a regular meeting for final consideration and decision.

4.2 The approval of a policy suspends any previously adopted policy relating to the issues covered in the approved policy.

5. Implementation

5.1 The implementation of policy is an administrative responsibility, under the direction of the superintendent.

5.2 The superintendent may develop administrative procedures in accordance with charter board policies.

5.3 The superintendent may suspend a policy, but at the first opportunity shall report to the charter board the reasons for suspension and the recommended amendments. The charter board may ratify the suspension or it may reinstate the policy. When expedient, the superintendent may make the decision in consultation with the charter board chairperson.

5.4 The superintendent is responsible for communicating policies within the school, for monitoring school policies on an ongoing basis, for reporting the outcomes of policy decisions to the charter board and for making recommendations to the charter board for revision.

6. Evaluation

6.1 The charter board, in conjunction with the superintendent, shall evaluate each policy on a 3-year cycle to determine whether or not it is meeting its intended purpose.

Those practices which affect students must be ethical, fair, just, and based on processes which are known to parents and students. The professional and administrative practices used to implement this policy must respect natural justice.

4. The charter board shall, by resolution, appoint an ad hoc Appeal Committee to make investigations and decisions with respect to the appeal on behalf of the charter board.

The charter board is committed to ensuring that each student enrolled and each staff member employed in a Westmount Charter School campus or board office is provided with a welcoming, caring, and safe learning and working environment that respects diversity, strives for equity among our students and staff, and creates an atmosphere of inclusion, generating and fostering a sense of belonging among our community members. All individuals within the school authority have the right to learn and work in settings that promote equity of opportunity, dignity, and respect regardless of race, age, ancestry, place of origin, colour, religious beliefs, gender, gender identity, gender expression, physical or mental disability, marital status, family status, socioeconomic status, and sexual orientation.

The charter board supports the creation of voluntary student and staff organizations that promote a welcoming, caring, respectful and safe learning and working environment that respects diversity, strives for equity among our students and staff, and creates an atmosphere of inclusion, generating and fostering a sense of belonging among our community members.

The charter board affirms the rights, as provided for in the *Alberta Human Rights Act* and the *Canadian Charter of Rights and Freedoms*, of each staff member employed by the school authority and students enrolled in a school operated by the school authority.

Further, the charter board protects each staff member employed by the school authority and students enrolled in a school operated by the school authority from discrimination as provided for in the *Alberta Human Rights Act* and the *Canadian Charter of Rights and Freedoms*.

The charter board is committed to protecting all those involved in our organization from bullying, discrimination, harassment, sexual harassment, intimidation, and violence during the school authority's work and school-related activities. The charter board acknowledges its responsibility to support and assist any student, staff member, volunteer, or person providing goods and services, who is subjected to bullying, discrimination, harassment, sexual harassment, intimidation, and violence within its schools or workplaces. All those involved with the school including board directors, staff, students, parents, volunteers, contractors, and visitors must be instrumental in creating a welcoming, caring, respectful and safe learning and working environment.

To this end, the charter board will not tolerate bullying, discrimination, harassment, sexual harassment, intimidation, and violence, and encourages reporting of all incidents of this nature, regardless of the identity of the alleged harasser or offender. In addition, the charter board requires the reporting of allegations of harassment, discrimination, bullying, intimidation, or violence to be investigated in a timely and respectful manner.

DEFINITIONS

1. *Bullying* means repeated and hostile or demeaning behaviour by an individual in the school community where the behaviour is intended to cause harm, fear or distress to one or more other individuals in the school community, including psychological harm or harm to an individual's reputation.
2. *Discrimination* means treating a person negatively or disrespectfully or refusing, without lawful excuse, to provide an opportunity or benefit with respect to access to learning or access to any term or condition of employment because of any of the protected categories

in The Alberta Human Rights Act. The behaviour giving rise to a complaint of discrimination need not be intentional to be considered discrimination.

With respect to student placement decisions, the above does not apply to a refusal, limitation, specification, or preference based on a bona fide educational requirement. With respect to employment, the above does not apply to a refusal, limitation, specification, or preference based on a bona fide occupational requirement.

3. *Diversity* means that we commit to acknowledging a variety of similarities and differences including, but not limited to ethnicity, race, indigenous and non-indigenous origins, age, sexual orientation, gender, gender identity and gender expression, culture, religion, marital and parental status, language, education, ability and disability, personality type, work style and experience, job role and socio-economic difference.
4. *Equity* means to the greatest extent reasonably possible, and in keeping with Westmount's charter mission and vision, we commit to providing equity of opportunity, voice, a culture accepting of diverse perspectives, and support for the development of authentic selves. 5. *Harassment* is unwelcome verbal or physical conduct, including harassment that relates to discrimination. Usually, it must be repeated to constitute harassment but single acts can be harassing if they are severe, or involve an obvious power imbalance. Harassment is insulting, demeaning or intimidating and can be bullying or outright physical assault. The behaviour giving rise to a complaint need not be intentional to be considered harassment; it is sufficient that the offender knows, or ought reasonably to know, that the behaviour is offensive and unwelcome. Examples of harassment include but are not limited to the following: verbal or physical abuse; threats; derogatory remarks; jokes; innuendo or taunts about appearance or beliefs; display or electronic transfer of pornographic, racist or offensive images; and condescension that undermines self-confidence or is an unreasonable invasion of one's person.

Our commitment is to promote safe engagement, participation, empowerment and a community sense of belonging where there is equitable access to opportunities for everyone, where people feel respected, and where they see themselves reflected in other aspects of the community.
7. *Sexual harassment* is any unwelcome behaviour that is sexual in nature. Unwanted sexual advances, unwanted requests for sexual acts, and other verbal or physical conduct of a sexual nature constitute sexual harassment when the harasser knows or ought to know that it is unwelcome. Sexual harassment includes but is not limited to:
 - 7.1 unwanted sexual touching (e.g., pinching, patting, rubbing);
 - 7.2 leering, sexist or dirty jokes;
 - 7.3 the display of sexually suggestive material;
 - 7.4 sexually suggestive gestures; and unwelcome propositions, innuendos, demands or inquiries of a sexual nature; and
 - 7.5 derogatory or degrading comments of a sexual nature.
8. *Intimidation* is intentional behavior that would cause a person of ordinary sensibilities fear of injury or harm.

9. *Violence* is the threatened, attempted, or actual conduct of a person that causes or is likely to cause physical injury. Examples include, but are not limited to:
 - 9.1 threatening behaviour such as shaking fists, destroying property, or throwing objects;
 - 9.2 verbal or written threats that express an intent to inflict harm;
 - 9.3 physical attacks; or
 - 9.4 any other act that would instill, in a reasonable person, the fear of physical injury in the circumstances.

This policy covers behaviour not only at our schools and board offices, but also at any charter board or school-related function including field trips, conferences, training sessions, work done off-site, and social functions. This applies whether the contact is face-to-face, by phone, fax, e-mail, internet or intranet, or by any other means of communication.

This policy has been suspended effective April 7, 2022.

BACKGROUND

COVID-19 represents an identifiable workplace hazard. COVID-19 is an acute respiratory illness caused by the severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). Exposure to the virus typically occurs through: (1) inhalation of fine respiratory droplets and aerosol particles; (2) deposit of respirator droplets and particles on exposed mucous membranes in the mouth, nose, or eye by a direct splash or spray; or (3) touching mucous membranes with hands that have been soiled by virus-containing respiratory fluids (or touching surfaces with the virus on them).

Symptoms of COVID-19 include new or worsening fever, cough, shortness of breath, runny nose, sore throat, chills, painful swallowing, nasal congestion, feeling unwell/fatigued, nausea/vomiting, diarrhea, unexplained loss of appetite, loss of sense of taste or smell, muscle/joint aches, headache and/or conjunctivitis (commonly known as pink eye). Asymptomatic infection is also possible. The risk of severe disease and death increases with age and is elevated in those with underlying medical conditions and those who are pregnant. Previously, younger persons have been less likely to develop serious illness or death, however, the emergence of variant strains has seen increasing hospitalization rates and death among younger age groups.

Westmount Charter School has identified cases of confirmed COVID-19 infection at both campuses, among both its staff and student population, notwithstanding attempts to control spread through: engineering controls which control a hazard at the source (including ventilation systems or physical barriers); administrative controls which change the way people work (including hand hygiene, other cleaning practices, social distancing and cohorting); and personal protective equipment (PPE) which control the hazard at the worker's level (such as masking and gloves). Vaccinations are also considered to be an engineering control.

POLICY

The Westmount Charter School Board ("the Board") is committed to providing safe and healthy learning and working environments. The Board commits to protecting students and employees from injury, illness, and accidents as required by Occupational Health and Safety legislation, the *Education Act*, and common law. Transmittable diseases, including COVID-19, are identifiable workplace hazards. Such hazards can have a detrimental effect on health and safety, school operations, student learning, employee productivity, Board costs, and employee morale. The Board has legal obligations to take all reasonable steps to identify, eliminate, and control workplace hazards like COVID-19.

The purpose of this policy is to mitigate the risk of spread of COVID-19 infection in all Board facilities to protect staff, students, and their families from the highly contagious illness during a global pandemic.

DEFINITIONS

"COVID-19" means the virus designated "coronavirus 2 (SARS-CoV-2)" or the symptoms of that virus where the context requires.

"employee" means any and every employee of the Board while such individual is performing services on behalf of the Board or on Board property.

"fully vaccinated" means receiving the required number of doses of vaccine as per Health Canada guidelines. See "vaccine" for further information.

“Human Resources” means the Human Resources Director of Westmount Charter School.

“policy” means Policy 14 COVID-19 Risk Mitigation.

“rapid testing” means any legitimate official testing devices authorized by the Government of Alberta.

“vaccine” means any vaccine approved by Health Canada for inoculation against COVID-19. Currently this includes: the Moderna COVID-19 vaccine; the Pfizer-BioNTech COVID-19 vaccine; the AstraZeneca COVID-19 vaccine; and the Janssen (Johnson & Johnson) COVID-19 vaccine.

SCOPE

This policy applies to all employees. It also applies to all persons carrying out duties or activities on Board property and to volunteers. Any employees newly hired to the Board on or after December 17, 2021 will require proof of vaccination or proof of rapid testing as a condition of employment.

TEMPORARY POLICY

This policy is temporary. Current rates of transmission in Alberta indicate rapidly increasing numbers of individuals are exposed to COVID-19. The Board will re-evaluate the need for this policy when the government and medical authorities no longer support the identification of COVID-19 as a workplace hazard. The Board will review this policy for amendment or elimination at least every 6 months, or as deemed necessary.

General Guidelines

1. All employees are required to be fully vaccinated against COVID-19 no later than December 17, 2021.
2. If an employee is unable to comply with being/becoming fully vaccinated, they must comply with semi-weekly COVID-19 rapid testing requirements.
3. Any employee who requires an exemption to this policy must inform Human Resources no later than December 17, 2021.

APPLICATION

The administration and application of this policy will be pursuant to administrative procedure 491 – COVID-19 Risk Mitigation.
